## Financial Report

### **Overall Position at 31/3/17.**

Our major sources of income were the Handbury philanthropic donation of \$10000, membership fees of \$5450, and \$500 from the Geelong Conference.

The major cost for the year was administration at \$4880.

Income from the Geelong Conference was \$9500 for this financial year and expenses were \$21000. Although this appears to result in a loss, that is not the case as income in the previous financial year covered this deficit.

The Association currently holds \$21 000 in Interest Bearing Deposits in the Bendigo Bank.
