

Report on Financial Statement for 2022-2023  
for 2023 Annual General Meeting 5 May 2023

The Profit and Loss Report shows a net profit of \$4 083.68, with Balance Sheet total assets of \$24 058.65. This puts the Association in a good position to meet any expected expenditure in the future.

Our main sources of income were memberships and the very successful 2022 Conference, for which we thank the Friends of Eurobodalla Regional Botanic Garden.

Our expenses were slightly less than the income from memberships, so it is recommended that no change be made to our membership fees.

The current subscriptions tiers are:

Up to 100 Members	\$50
101 -250 Members	\$75
251 – 500 Members	\$150
501 -1000 Members	\$250
Over 1000 Members	\$400

The next round of subscriptions is due on April 1st 2024.
